In response to the Office Action mailed on July 3, 2007, having a shortened statutory period for response set to expire on August 3, 2007, please enter this response and reconsider the claims pending in the application for reasons discussed below. Enclosed herein is a self-addressed, stamped return postcard. A Supplemental Information Disclosure Statement and accompanying PTO Form 1449 listing references, a Terminal Disclaimer, and a credit card authorization Form PTO-2038 for \$245 in payment of fee for submission of Supplemental Information Disclosure Statement and Terminal Disclaimer were included with the previous response to office action mailed on January 5, 2007, so these documents are not included herein. Although Applicant believes that no additional fees are due in connection with this response, the Commissioner is requested to contact Examiner's representative if any fees, including extension of time fees or excess claim fees, are required to make this response timely and acceptable to the Office.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper. Remarks/Arguments begin on page 6 of this paper.
